### **Letter to the Editor**

The Iowa Veterans Home was fortunate to receive a donation from the Elliott Oil Company in Ottumwa when the Center Street BP Station closed on December 17<sup>th</sup>. We would like to thank Jeff Keep, Store Supervisor, for donating a substantial amount of frozen food items, such as cartons of ice cream, individual ice cream treats, pizza and pizza rolls, for the IVH residents. We know the company regretted having to close the doors of the Marshalltown BP station and we are grateful that they thought of the Iowa Veterans Home residents at this difficult time. The residents will really enjoy these special treats thanks to the Elliott Oil Company.

Diane Lemker  
Director of Volunteer Services  
Iowa Veterans Home
